**Re: UM 1731 – In the Matter of PACIFIC NORTHWEST SOLAR, LLC v. IDAHO POWER COMPANY**

Dear Judge Arlow:

I am writing on behalf of Idaho Power Company (Idaho Power) and Pacific Northwest Solar LLC (PNW Solar) to request that the Prehearing Conference set for 1:30 this afternoon be continued. Idaho Power and PNW Solar are in negotiations to complete a settlement, which, if achieved, would resolve all of their differences. We therefore would like additional time to work towards settlement before setting a litigation schedule. In the interests of efficiency, we request that today's conference be continued for approximately 30 days.

Please contact me if you have any questions.

Sincerely,

Lisa Rackner
