RE: Stayton Cooperative Telephone Company, Inc., Supplemental Filing to Advice Letter 3 – Access

To Whom It May Concern:

Please find enclosed for electronic filing a Supplemental Filing to Advice Letter 3 being made on behalf of Stayton Cooperative Telephone Company, Inc. (“Stayton”) Access Services Tariff P.U.C. No. 4 and concurring carriers.

Per discussion with Armando Fimbres, Senior Telecommunications Analyst, a replacement tariff page is being filed on behalf of Oregon Telephone Corporation to make changes to the Toll VoIP-PSTN Traffic Originating Local Switching rate that was originally filed on June 1, 2015. Oregon Telephone Corporation has filed its own rates and charges for services offered under the following tariff:

Oregon Telephone Corporation Access Services Tariff P.U.C. Or. No. 8

We are requesting an effective date of July 1, 2015. Also included is the LSN Application requesting the replacement tariff page become effective on July 1, 2015 on less than 30 days’ notice. If you have any questions or require additional information, please contact me at (217) 862-1510 or nstephens@gvnw.com.

Sincerely,

/s/ Nicole Stephens
