RE: Home Telephone Company, Supplemental Filing to Advice Letter 143 – Access

To Whom It May Concern:

Please find enclosed for electronic filing a Supplemental Filing to Advice Letter 143 being made on behalf of Home Telephone Company Access Services Tariff P.U.C. No. 3. In accordance with the FCC's November 18, 2011 Report and Order and Further Notice of Proposed Rulemaking in WC Docket Nos. 10-90, etc. (FCC 11-161), 800 Data Base Access Service Query rates are being revised to be at parity with NECA's interstate switched access rates that were filed with the FCC on June 16, 2015 to become effective July 1, 2015. This filing affects interexchange carriers that order intrastate access service.

A replacement tariff page is being filed to make changes to the 800 Data Base Access Service Query rates for Home Telephone Company that was originally filed on May 29, 2015.

We are requesting an effective date of July 1, 2015. Also included is the LSN Application requesting the replacement tariff pages become effective on July 1, 2015 on less than 30 days' notice. If you have any questions or require additional information, please contact me at (217) 862-1510 or nstephens@gvnw.com.

Sincerely,

/s/ Nicole Stephens
