Surprise Valley and PacifiCorp have agreed to re-set the schedule in this case, which is listed below. We hope that the case will only need one day of a hearing, but we have reserved two in case additional time is needed. There are outstanding discovery issues, which may be resolved through mutual compromise, motions and/or depositions; however, we have agreed to re-start the schedule in order to move the case forward. Surprise Valley and PacifiCorp are available to for a conference to discuss the schedule, or we are comfortable with you re-setting the schedule without a conference.
