

**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON**

UG 305

In the Matter of

CASCADE NATURAL GAS
CORPORATION,

Request for a General Rate Revision.

RULING

DISPOSITION: MOTION GRANTED

By motion dated June 6, 2016, the Commission Staff requests that the schedule in this docket be modified to provide for expedited response times for data requests. Staff had not requested expedited response times at the prehearing conference and the adopted schedule makes no provision for expedited responses.

Staff states that all parties have agreed to data request response times of seven business days after Cascade files its reply testimony (September 8, 2016) and five business days after Staff and Intervenors file rebuttal testimony (October 6, 2016). Staff's request is reasonable and is approved.

For good cause shown, Staff's motion is granted.

Dated this 7th day of June, 2016, at Salem, Oregon.
