

**BEFORE THE PUBLIC UTILITY COMMISSION  
OF OREGON**

UG 305

In the Matter of

CASCADE NATURAL GAS  
CORPORATION,

Request for a General Rate Revision.

RULING

DISPOSITION: MOTION GRANTED; SCHEDULE SUSPENDED

On October 6, 2016, parties in this proceeding filed a stipulation settling all issues. Concurrently, Staff filed a motion requesting a waiver of OAR 860-001-0350(7) that requires that a settlement be accompanied by testimony or a supporting brief when filed. Staff states that the parties will file supporting testimony and affidavits at a later date.

In support of its motion, Staff states that Cascade's support of suspending the procedural schedule is based in part on Staff's agreement to execute and file the stipulation as soon as possible. The parties have not had time to complete their testimony.

For good cause shown the motion is granted.

Dated this 7<sup>th</sup> day of October, 2016, at Salem, Oregon.
