

**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON**

UG 305

In the Matter of

CASCADE NATURAL GAS
CORPORATION,

Request for a General Rate Revision.

RULING

DISPOSITION: MOTION GRANTED

By motion filed August 19, 2016, Cascade Natural Gas Corporation requests that the schedule in this docket be modified to extend the time for its filing of reply testimony from September 8, 2016, to September 13, 2016. As grounds for its motion, Cascade states that the Commission Staff's testimony filed August 11, 2016, "raised a number of complex issues requiring a significant level of effort and analysis by Cascade in advance of filing its Reply Testimony."

In addition, at Staff's request, the parties agree to modify the expedited deadline schedule for data request responses. The parties agree that the expedited schedule for data request responses will begin on September 13, 2016, rather than September 8, 2016, and the deadline for responses will be five business days rather than seven business days.

Cascade proposes no changes to other dates in the procedural schedule, and states that all parties support its motion.

For good cause shown, Cascade's motion is granted. The date for Cascade to file its reply testimony is extended to September 13, 2016. The expedited schedule for data request responses will begin on September 13, 2016. The deadline for responses will be five business days.

Dated this 23rd day of August, 2016, at Salem, Oregon.
