**Re: UE 308 In the Matter of Portland General Electric Company's 2017 Annual Power Cost Update Tariff (Schedule 125)**

On July 8, PGE submitted the following confidential draft agreements concerning PGE's long-term gas hedging proposal:

- Joint Operating Agreement
- Capital Program Agreement
- Long-Form Assignment

PGE had stated in its testimony that it would provide these draft agreements when they were available (PGE Exhibit 300, page 21, Table 2). PGE further clarifies that the confidential documents were sent to all parties of the UE 308 service list with the exception of Noble Americas Energy Solutions (per agreement with Noble). Finally, on July 13, PGE also provided these documents through the confidential UE 308 Huddle site.

If you have any questions or require further information, please call me at (503) 464-7580 or Alex Tooman at (503) 464-7623. Please direct all formal correspondence, questions, or requests to the following e-mail address [pge.opuc.filings@pgn.com](mailto:pge.opuc.filings@pgn.com).
