RE: Docket No. ADV 313/Advice No. 4

On May 27, 2016, Stayton Cooperative Telephone Co. filed revised sheets for inclusion in its tariff, P.U.C. No. 4. The filing included revised rates and charges for services offered under the tariffs of seventeen companies that concur with the terms and conditions of that tariff. On June 17, 2016, replacement sheets were also filed.

This filing revises all intrastate fixed and terminating switched access rates as required by FCC Order No. 11-161.

The sheets are acknowledged and will become effective with service rendered on and after July 1, 2016.

One receipted copy of each sheet is returned for your files.
