Re: Docket UM 1780

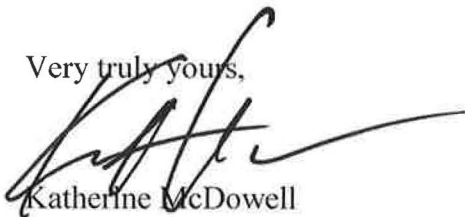

Attention Filing Center:

On August 31, 2016, Avangrid Renewables, LLC (Avangrid) submitted its 2015 Fuel Mix Reconciliation Report. In reviewing this filing, we realized that the first two pages of the report incorrectly reference hydro power, instead of wind power. The attached, revised 2015 Fuel Mix Reconciliation Report corrects this error, using the format of Avangrid's 2013 and 2014 Fuel Mix Reconciliation Report, filed in Dockets UM 1701 and UM 1736, respectively.

Please note that portions of the revised report are CONFIDENTIAL, containing commercially sensitive and confidential business information and are provided separately under seal pursuant to General Protective Order No. 16-207.

Please contact me with any questions.

Very truly yours,

Katherine McDowell
