Idaho Power Company’s Compliance Filing – Selected Weather Reporting
Service

Filing Center:

Pursuant to OAR 860-021-0407(7), Idaho Power Company (“Idaho Power” or “Company”) notifies the Public Utility Commission of Oregon’s Consumer Services Section of the weather reporting service the Company will utilize in its service area. Idaho Power uses the Boise office of the National Weather Service to monitor weather advisories in its service area—the Boise forecast office issues advisories for eastern Oregon as well as western Idaho. The following link shows the coverage areas of the Boise office (the grey shaded counties): <https://www.weather.gov/boi/cwa>.

If you have any questions about this filing or the selected weather reporting service, please do not hesitate to contact Zach Harris at (208) 388-2305.

Very truly yours,

Lisa D. Nordstrom
