**Re: AR 602 Involuntary Service Disconnection Reporting Requirements for Energy Utilities;
CUB Final Comments**

Oregon Citizens' Utility Board (CUB) supports the final set of rules outlining service disconnection reporting requirements for energy utilities.

Furthermore, CUB applauds the good faith efforts on the part of Public Utility Commission (PUC) staff, Community Action Partnership of Oregon (CAPO), Northwest Energy Coalition (NWEC), and the energy utilities to reach relative consensus around the aforementioned rules.

Respectfully,

Samuel Pastrick
