

**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON**

UM 1788

In the Matter of

PORTLAND GENERAL ELECTRIC
COMPANY,

2016 Revised Renewable Portfolio
Implementation Plan.

RULING

**DISPOSITION: PETITIONS TO INTERVENE GRANTED FOR
 LIMITED PURPOSES**

The Commission has received petitions to intervene in this docket from Renewable Northwest and Industrial Customers of Northwest Utilities (ICNU). In addition, the Citizens' Utility Board of Oregon filed its notice of intervention in compliance with ORS 774.180.

This proceeding is not a contested case proceeding under ORS 183.310(2). Nonetheless, obtaining party status is necessary to be eligible to sign a protective order to obtain access to protected information. For those reasons, the Commission will grant the petitions to intervene, even though party status does not confer the general rights and duties to individuals who participate in contested case proceedings.

The petitions to intervene filed by Renewable NW and ICNU are granted for the limited purposes described above.

Dated this 2nd day of August, 2016, at Salem, Oregon.
