Re: Advice No. CNG/O16-07-02, UG 320
SUPPLEMENTAL UM 1336, Deferred Accounting for Intervenor Funding
Schedule No. 192, Intervenor Funding Adjustment

Attention: Filing Center

Pursuant to Docket UM 1336, ORS 757.210 and ORS 757.259(5), Cascade hereby submits three copies of the following revisions to Cascade's P.U.C. OR No. 9 Tariff4 containing an effective date on and after November 1, 2016:

Thirteenth Revision Sheet No. 192

This filing updates the Company's Intervenor Funding rates currently in effect pursuant to Section 7.9 of the Third Amended and Restated Intervenor Funding Agreement previously adopted by the Public Utilities Commission of Oregon ("Commission") in Order No. 15-335. In this filing, the Company is requesting an increase to annual revenues by \$85,961, or .13 %, effective on November 1, 2016. The current amortization rates and the proposed changes, both inclusive of the gross revenue factor, are as follows:

<u>Schedule</u>	<u>Current Amortization Rates</u>	<u>Proposed Amortization Rates</u>	<u>Difference in Amortization Rate</u>
101	0.00102	0.00191	0.00089
105	0.00006	0.00131	0.00125
111	0.00006	0.00131	0.00125
170	0.00006	0.00131	0.00125
163	0.00006	0.00131	0.00125

In the Community to Serve®

In Order 15-307 in Docket No. UM 1336, the Commission approved Cascade Natural Gas's request for reauthorization to defer costs related to Intervenor Funding grants for the period November 1, 2015, through October 31, 2016. The Company made that filing pursuant to ORS 757.259 and OAR 860-027-0300(4). This filing is in compliance with ORS 757.210 which authorizes deferred utility expenses or revenues to be allowed (amortized) in rates to the extent authorized by the Commission in a proceeding to change rates. All of the deferrals included in this filing occurred with appropriate application by Commission authorization, as rate orders or under approved tariffs.

Three Percent Test

Pursuant to ORS 757.259(5-7) and OAR 860-027-0300(9), the overall annual average rate impact of the amortizations authorized under the statutes may not exceed three percent of the natural gas utility's gross revenues for the preceding calendar year, unless the Commission finds that allowing a higher amortization rate is reasonable under the circumstances. However, per ORS 757.259(4), the amortization of Intervenor Funding is not subject to an earnings review, and the Intervenor Funding amortization balance is not included in the three percent test.

Other Information

Pursuant to OAR 860-022-0025 and OAR 860-022-0030, the total number of customers affected by this filing by rate schedule are as follows:

<u>Rate Schedule</u>	<u>Number of Customers</u>
101	59,633
105	134
111	15
170	4
163	30

After combining the impact of this filing along with three other regulatory filings made today,¹ the overall effect of the proposed rate adjustments on the monthly bill of a residential customer with consumption of 51 therms will be a net decrease of (\$6.14) or (13.21%), for a revised monthly bill of \$40.36 effective November 1, 2016.

Notice to customers will be made in accordance with OAR 860-022-0017.

Attached in support of this filing is Exhibit 1 which contains a development of intervenor funding temporary rate increments and a summary of proposed intervenor funding.

The Company agrees to rate adjustments and refunds should the Commission determine that these rates have been inappropriately calculated. Any rate adjustments and refunds will be retroactive to November

¹ On September 15, 2016, Cascade Natural Gas filed Advice Nos. O16-07-01 and O16-07-03; both are effective November 1, 2016, subject to Commission approval.

1, 2016 provided that the Commission advises the Company of the necessity for such rate adjustments or refunds within 30 days after the effective date of these rates.

Please direct any questions regarding this filing to me at (509) 734-4593.

Sincerely,

Michael Parvinen
