RE: Advice 16-010 ERRATA – Time of Day Schedules

In compliance with ORS 757.205, ORS 757.210, OAR 860-022-0025, OAR 860-022-0030, and OAR 860-027-0300(9), PacifiCorp d/b/a Pacific Power (Pacific Power or Company) submits for filing the following errata tariff page associated with Tariff P.U.C. OR No. 36, which sets forth all rates, tolls, charges, rules, and regulations applicable to electric service in Oregon.

On September 13, 2016, the Company filed revised tariff schedules providing a revision to the language proposed in the August 19, 2016 tariff advice filing. In the revised filing, the Company erroneously included a typo in the rate effective date listed on Schedule 48, Sheet 48-2. The correct date for Schedule 48, Sheet 48-2 should indicate an effective date of September 28, 2016, and not September 28, 2014. The Company provides this errata filing to correct this typo. The requested effective date is a period of less than 30 days from the date of this filing. An application requesting waiver of the statutory notice period was included with the September 13, 2016 filing as required by OAR 860-022-0020.

Fourth Revision of Sheet No. 48-2 Schedule 48 Large General Service 1,000 KW and Over
Delivery Service
