In the Matter of

PACIFICORP, dba PACIFIC POWER

Investigation into Schedule 37 - Avoided
Cost Purchases from Qualifying Facilities
of 10,000 kW or Less.

RULING

DISPOSITION: EXPEDITED SCHEDULE ESTABLISHED FOR ADDRESSING
MOTION TO COMPEL

On October 31, 2016, the Renewable Energy Coalition (Coalition) filed a motion to compel PacifiCorp, dba Pacific Power to either provide the Coalition a copy of the Integrated Resource Plan (IRP) models or to perform specific model runs requested in the Coalition's Data Requests 1.2, 1.3, and 1.4.

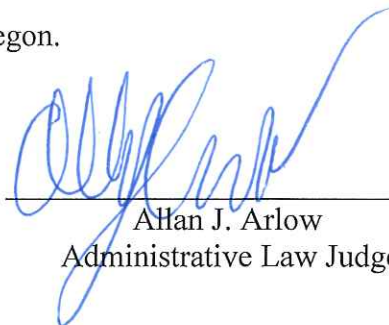

The Coalition represents that PacifiCorp and the Coalition have agreed that PacifiCorp shall file its response to the motion no later than November 7, 2016 and that the Coalition has the opportunity to file a reply no later than November 10, 2016.

I find that the proposed schedule will not unduly delay the proceedings or burden the record.

RULING

The motion is granted. PacifiCorp shall file its response no later than November 7, 2016 and the Coalition shall file a reply, if it so chooses, no later than November 10, 2016.

Dated this 2nd day of November, 2016 at Salem, Oregon.
