RE: Docket No. ADV 383/Advice No. OR-16-06

On September 22, 2016, Citizens Telecommunications Company of Oregon filed revised sheets for inclusion in its tariff, PUC OR No. 3.

This filing standardizes the naming and descriptions of service order charges (formally named nonrecurring charges or NRCs); introduces an Access Line Work Charge; and introduces a Residential Installment Billing option.

The sheets filed under Advice No. OR-16-06 will become effective with service rendered on and after November 20, 2016.

One receipted copy of each sheet is returned for your files.
