

**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON**

LC 66

In the Matter of

PORTLAND GENERAL ELECTRIC
COMPANY,

2016 Integrated Resource Plan.

RULING

DISPOSITION: PETITION TO INTERVENE GRANTED FOR LIMITED
PURPOSES

On January 24, 2017, Edward Averill filed a petition to intervene. Mr. Averill did not identify any pending docket, but raises issues related to Portland General Electric Company's integrated resource plan (IRP).

I treat the petition as a request to intervene in this docket. Although a proceeding to review a utility's IRP is not considered a contested case proceeding under ORS 183.310(2), the Commission grants petitions to intervene for the limited purposes of: (1) creating a service list; and (2) establishing eligibility to sign a protective order.

I grant the petition to intervene for the limited purposes described above.

Dated this 25th day of January, 2017 at Salem, Oregon.
