In support of this request, NWIGU shows the following:

1. On April 14, 2017, NWIGU filed a Proposed Issue Fund Budget in the amount of \$38,370.00 less in-house resources of 20 percent, for a total grant request of up to \$30,696.00. The Commission approved the Issue Fund Grant in the amount of \$30,696.00 on April 17, 2017. *In the Matter of Northwest Natural Gas Company, dba NW Natural, Application for Approval of Corporate Reorganization to Create a Holding Company*, OPUC Docket No. UM 1804, Order No. 17-142 (Apr 17, 2017).

2. NWIGU hereby requests that the Commission authorize payment of the approved Issue Fund Grant in this docket in the amount of \$30,696.00, which is the full amount authorized. NWIGU’s Eligible Expenses for this proceeding through October 2017 are shown in Confidential Attachment A.

3. NWIGU respectfully submits that this request for payment satisfies the requirement of IFA Section 7.3 as follows:

Section 7.3(a) - The itemized expenses, payees and hourly rates are attached as Confidential Attachment A.

Section 7.3(b) - NWIGU was a full and active participant in this docket. NWIGU and its consultants participated in discovery in this proceeding, participated in workshops, participated in informal meetings and telephone conferences with NW Natural, its consultants, Staff and CUB, and participated in settlement workshops and discussions, as well as drafting testimony. The expenses included in Confidential Attachment A are Eligible Expenses as defined in IFA Section 7.4 and are reasonable and directly attributable to NWIGU's participation in UM 1804 on behalf of all customers.

Section 7.3(c) – The only condition of the Issue Fund Grant is that NWIGU must contribute 20% of Eligible Expenses using in-house resources. NWIGU used its own funds to pay for at least 20% of the Eligible Expenses as required by Section 6.5 of the IFA.

Section 7.3 (d) – This request is a request for final payment.

4. Section 7.4 – All of the expenses included in Confidential Attachment A are Eligible Expenses as defined in Section 7.4 of the IFA and are consistent with NWIGU's proposed budget in this proceeding.

5. Upon approval of this request for payment by the Commission, NW Natural should send payment to NWIGU as follows, (which address is different than NWIGU's mailing address for service):

Edward Finklea
Executive Director
Northwest Industrial Gas Users
P.O. Box 163
Ashland, Oregon 97520

6. NWIGU has satisfied the terms of the IFA and respectfully requests that the Commission approve payment of NWIGU's Issue Fund Grant in the amount of \$30,696.00 from the NW Natural Utilities Issue Fund within 30 days of receiving this Request for Payment as provided in Section 7.6 of the IFA. With this payment, there will no funds remaining in the approved Issue Fund Grant that can be released back to NW Natural's Issue Fund. Further, as NWIGU indicated in its original request, NWIGU will seek recovery of the remainder of its Eligible Expenses exceeding the original budget through a request for Matching Funds.

Dated this 23 day of October, 2017.
