

**BEFORE THE PUBLIC UTILITY COMMISSION  
OF OREGON**

UM 1804

In the Matter of

NORTHWEST NATURAL GAS  
COMPANY, dba NW NATURAL,

Application for Approval of Corporate  
Reorganization to Create a Holding  
Company.

RULING

DISPOSITION: MOTION GRANTED

By motion filed June 13, 2017, the Oregon Citizens' Utility Board (CUB) requests an extension of time to file its reply testimony. Presently, Staff and intervenor reply testimony is due on June 14, 2017. CUB asks that the due date for its reply testimony be extended to June 16, 2017. According to CUB, Staff and the Northwest Industrial Gas Users (NWIGU) have agreed to retain the June 14, 2017 deadline for their own testimony, so the extension would apply only to CUB.

CUB states that NW Natural, Staff, and NWIGU do not oppose its motion. The remaining procedural schedule would not be affected if CUB's motion is granted.

CUB's motion is granted. The deadline for CUB's filing of its reply testimony is extended to June 16, 2017.

Dated this 14<sup>th</sup> day of June, 2017, at Salem, Oregon.
