In the Matter of

NORTHWEST NATURAL GAS
COMPANY, dba NW NATURAL,

Application for Approval of Corporate
Reorganization to Create a Holding
Company.

RULING

DISPOSITION: MOTION GRANTED

On July 14, 2017, Northwest Natural Gas Company, dba NW Natural, filed a motion to suspend the testimony deadline on behalf of the parties. In that motion, NW Natural stated that once the parties confirmed a final settlement, a request for suspension of the remainder of the schedule would be filed. I granted that motion on July 17, 2017.

On July 19, 2017, NW Natural filed an unopposed motion to suspend the remainder of the procedural schedule. In support of its motion, NW Natural states that the parties have reached an agreement in principle resolving all issues raised in this docket. NW Natural further states that the parties are working to draft a stipulation and supporting testimony with a filing target date of August 11, 2017.

For good cause shown, the motion is granted. The remainder of the procedural schedule in this docket is suspended.

Dated this 20th day of July, 2017, at Salem, Oregon.
