

**BEFORE THE PUBLIC UTILITY COMMISSION  
OF OREGON**

UM 1804

In the Matter of

NORTHWEST NATURAL GAS  
COMPANY dba NW NATURAL,

Application for Approval of Corporate  
Reorganization to Create a Holding  
Company

RULING

DISPOSITION: FILING DEADLINES DELAYED TO JUNE 2, 2020

On December 28, 2017, the Commission issued Order No. 17-526, adopting a Stipulation between Northwest Natural Gas Company and other parties. The stipulation concerned NW Natural's application for approval of a corporate restructuring to form a holding company.

As part of the stipulation, NW Natural is required to notify the Commission in a number of circumstances, including whenever the NW Natural holding company acquires a new subsidiary.

Through this ruling, I clarify for NW Natural, given the business practice and operational constraints placed on NW Natural, the Commission, and other stakeholders and utilities given the COVID-19 response, that NW Natural may delay the filing of required notification associated with holding company acquisitions to June 2, 2020, at its discretion.

Dated this 27<sup>th</sup> day of March, 2020, at Salem, Oregon.
