**BEFORE THE PUBLIC UTILITY COMMISSION  
OF OREGON**

**UM 1808**

In the Matter of  
NORTHWEST NATURAL GAS  
COMPANY, dba NW Natural  
  
Updated Depreciation Study Pursuant to  
OAR 860-027-0350.

**STATUS REPORT**

Northwest Natural Gas Company (“NW Natural”) files this status report to the Public Utility Commission of Oregon (“Commission”) regarding its updated depreciation study filed pursuant to OAR 860-027-0350. On June 6, 2017, NW Natural, Staff, the Citizens’ Utility Board (“CUB”), and Northwest Industrial Gas Users (“NWIGU”)(together, the “Parties”) filed a joint motion to suspend the procedural schedule in this docket after the Parties agreed to preliminary terms of a Stipulation in the proceeding. The Parties are continuing to work on the Stipulation and anticipate that the Stipulation will be filed by August 25, 2017. In the event the Stipulation is not finalized by that time, an additional status report will be filed.

Respectfully submitted this 28th day of July, 2017.

**NW NATURAL**
