BEFORE THE PUBLIC UTILITY COMMISSION

OF OREGON

UM 1809

In the Matter of	
PORTLAND GENERAL ELECTRIC COMPANY,	**STATUS REPORT**
2015 Detailed Depreciation Study of Electric Utility Properties.	

     On June 9, 2017, the Administrative Law Judge in this docket granted a motion to suspend the procedural schedule. In that order the ALJ also set a deadline of June 30, 2017, for the filing of a stipulation and joint supporting testimony, or a status report.

     The parties including Portland General Electric Company ("PGE"), Staff of the Public Utility Commission of Oregon, and the Industrial Customers of Northwest Utilities (collectively, the "Stipulating Parties"), have made substantial progress in drafting a stipulation and supporting joint testimony, but need some additional time.[1] The Stipulating Parties anticipate that they will be able to file a stipulation and supporting testimony by the close of business on Friday July 14, 2017. PGE, on behalf of the Stipulating Parties, therefore requests that the deadline for submission of these documents be moved to July 14, 2017.

---

[1] The only other party to this docket, the Citizens' Utility Board of Oregon, does not oppose the settlement.

DATED this _30<u>th</u>_ day of June, 2017.
