BEFORE THE PUBLIC UTILITY COMMISSION

OF OREGON

UM 1809

In the Matter of

PORTLAND GENERAL ELECTRIC
COMPANY

2015 Detailed Depreciation Study of Electric
Utility Properties.

**MOTION TO SUSPEND PROCEDURAL
SCHEDULE**

**EXPEDITED CONSIDERATION
REQUESTED**

For the reasons set out below, Portland General Electric Company (“PGE”) hereby requests that the remaining procedural schedule in this docket be suspended.

On December 23, 2016, PGE filed its detailed depreciation study of electric utility properties. The purpose of that filing was to request approval of the results of the depreciation study so that the new depreciation rates can be implemented in PGE’s next general rate case. Subsequently, Industrial Customers of Northwest Utilities (“ICNU”), and Citizens’ Utility Board of Oregon (“CUB”) intervened in this docket. No other party sought intervention.

Settlement discussions between PGE, Staff of the Public Utility Commission (“Staff”), and ICNU, (collectively the “Stipulating Parties”) were held on June 1, 2017. As a result of those discussions, the Stipulating Parties reached an agreement in principle resolving all issues in this docket. CUB does not object to the settlement. The Stipulating Parties are in the process of completing a stipulation and supporting joint testimony and anticipate filing the stipulation and testimony by June 30, 2017. If the stipulation is not filed by then, the Stipulating Parties will provide a status report to the Administrative Law Judge.

As a result of the settlement, PGE respectfully requests that the Administrative Law Judge suspend the remaining procedural schedule to give the Stipulating Parties time to complete and file the stipulation. The other Stipulating Parties support this motion.

EXPEDITED CONSIDERATION REQUEST

Pursuant to the schedule set in this docket, Staff and Intervenor Opening Testimony is due June 12, 2017. Accordingly, expedited consideration of this motion is requested.

DATED this 8th day of June, 2017.

Respectfully submitted,
