OF OREGON**

UM 1809

In the Matter of

PORTLAND GENERAL ELECTRIC
COMPANY,

2015 Detailed Depreciation Study of
Electric Utility Properties.

RULING

DISPOSITION: MOTION GRANTED; DEADLINE EXTENDED

On June 8, 2017, Portland General Electric Company (PGE) filed a motion to suspend the procedural schedule and stated that the parties expect to submit the stipulation and joint testimony no later than June 30, 2017 or submit a status report with respect to their progress.

On June 30, 2017, PGE filed a status report stating that the stipulating parties (PGE, PUC Staff, and the Industrial Customers of Northwest Utilities)¹, have made substantial progress in drafting a stipulation and supporting joint testimony, but they need some additional time. In its status report, PGE requests that the deadline for submission of these documents be moved to July 14, 2017.

RULING

For good cause shown, the motion is granted.

Dated this 3rd day of July, 2017, at Salem, Oregon.

Administrative Law Judge

¹ PGE notes in its status report that the only other party, the Oregon Citizens' Utility Board does not oppose the settlement.
