Filing Center:

After reviewing the issues and the procedural posture of this docket, the Oregon Department of Energy ("Department") has decided to waive cross-examination of any of the other parties at the hearing and will not be filing cross-examination exhibits. The Department reserves all rights to participate in full as a party throughout this docket. The Department requests that the ALJ accept this late filed cross-examination statement, because the Department's filing does not disadvantage any party in this proceeding.

Sincerely,

Jesse D. Ratcliffe
