RE: UM 1811 – Application for Transportation Electrification Programs Status Report

The ruling dated May 19, 2017, in this docket set today as the deadline for parties to file a stipulation or a status report in lieu thereof. Parties have reached mutually agreeable terms on all issues in this docket, and we have a settlement both in principle and in substance. All parties to this docket – except for one – are participants to the stipulation.

Parties are currently working to finalize both the stipulation and the supporting testimony, which are under review. The planned filing date for stipulation and testimony in support of the stipulation is June 23, 2017.

Sincerely,
