)
Application for Transportation Electricification)
Programs)
)

Pursuant to ORS § 756.525 and OAR § 860-001-0300(2), the Industrial Customers of Northwest Utilities (“ICNU”) hereby petitions the Oregon Public Utility Commission (“Commission”) to intervene in this proceeding with full party status as described in OAR § 860-001-0010(7). In support of this petition, ICNU represents as follows:

1. The business address of ICNU is:

Industrial Customers of Northwest Utilities
818 SW 3rd Ave., #266
Portland, OR 97204
2. ICNU will be represented in this proceeding by Davison Van Cleve, P.C.

All documents relating to these proceedings should be served on ICNU’s attorneys and consultant at the following addresses:

3. ICNU is an incorporated, non-profit association of large industrial electric customers in the Pacific Northwest, with offices in Portland, Oregon. A list of ICNU members is included as Attachment A. Many members of ICNU are customers of Portland General Electric Company (“PGE”), as indicated on Attachment A.

4. On December 27, 2016, PGE filed a proposal for a transportation electrification program, as was required by Section 20(3) of Senate Bill 1547, codified at Oregon Laws 2016, chapter 028, sections 20 and 29, and the Commission’s newly promulgated administrative rules. OAR 860-087-0030(2). PGE’s proposal estimates a revenue requirement impact of approximately \$8.7 million, could require the addition of significant new utility-owned infrastructure in the PGE service area, and would potentially increase customer demand as well. Accordingly, the outcome of this proceeding may impact the future rates of those of ICNU’s members who take service from PGE. ICNU therefore requests leave to intervene in this Docket to represent its members who are affected by any change to PGE’s rates.

5. ICNU represents the interests of a number of large electric customers served by PGE in Oregon. ICNU’s intervention in this proceeding will assist the Commission in resolving the issues in this proceeding and will not unreasonably broaden the issues, burden the record, or unreasonably delay this proceeding.

6. As described above, ICNU has a direct and substantial interest in this proceeding that will not be adequately represented by any other party, and may be affected by any Commission determination made in connection with this proceeding. It is in the public interest to allow ICNU to intervene in this proceeding.

WHEREFORE, ICNU respectfully requests that the Commission grant its petition to intervene with full party status in this proceeding.

Dated this 6th day of January, 2017.

Respectfully submitted,

DAVISON VAN CLEVE, P.C.
