**Subject:** UM 1818 Extension of Stipulated Facts Deadline

Judge Rowe,

Under the prior extension to the procedural schedule in UM 1818, the parties were given an extension until today to file stipulated facts, or to provide notice that the parties could not agree to such facts. The parties have exchanged versions of proposed stipulated facts over the past two weeks, but still need some more time to resolve differences. The parties have conferred and respectfully request another two week extension of the deadline.

Please let me know if you have any questions, require more information or a motion from the parties.

Thank you,

Ray Kindley
