Subject: UM 1818 Additional Extension for Stipulated Facts

UM 1818 Columbia Basin Electric Cooperative v. Umatilla Electric Cooperative

Judge Rowe,

In prior extension to the procedural schedule in UM 1818, the parties were given an extension until tomorrow to file stipulated facts, or to provide noticed to all of the parties that an agreement on stipulated facts cannot be reached. To date, the parties have exchanged draft versions of stipulated facts and had discussion as to certain facts that they can agree to. The parties have agreed to several stipulated facts, but believe further discussions may be productive in agreeing to additional facts. The parties have conferred and respectfully request another two week extension of the deadline until June 28, 2017.

Please let me know if you have any questions or require any additional information from the parties.

Thank you,

Ray Kindley
