RE: Docket No. ADV 504, Advice No. 17-02

On January 27, 2017, Idaho Power filed revised sheets for inclusion in its tariff, PUC OR No. E-27.

Idaho Power Company's Oregon Tariff Advice No. 17-02, updates charges and credits under Rule H, New Service Attachments and Distribution Line Installations or Alterations. This advice filing is similar to the annual filing Idaho Power submitted on January 20, 2016, and seeks to keep all charges and credits current with variations in actual costs.

In accordance with a decision of the Commission in the Public Meeting of March 9, 2017, the following sheets will become effective with service rendered on and after March 15, 2017.

One receipted copy of each sheet is returned for your files.
