Enclosure

**BEFORE THE PUBLIC UTILITY COMMISSION
OF THE STATE OF OREGON**

UE 319

In the Matter of

PORTLAND GENERAL ELECTRIC
COMPANY

Request for a General Rate Revision.

**MOTION TO SUSPEND NET
VARIABLE POWER COSTS
TESTIMONY PROCEDURAL
SCHEDULE**

**EXPEDITED CONSIDERATION
REQUESTED**

Pursuant to OAR 860-001-0420(2), Portland General Electric Company (“PGE”) hereby moves the Administrative Law Judge (ALJ) for an order suspending the portion of the procedural schedule in this docket regarding net variable power cost testimony.

On June 15, 2017, and June 16, 2017, PGE, Staff of the Public Utility Commission, the Citizens’ Utility Board of Oregon, the Industrial Customers of Northwest Utilities, and Fred Meyer Stores, Inc. (collectively the “Settling Parties”) participated in the settlement conference. At that conference an agreement in principle was reached resolving all issues in this docket related to net variable power costs.

In the Prehearing Conference Memorandum in this docket two procedural schedules were adopted, one for issues related to net variable power costs, and the other for other general rate case issues. Consistent with the settlement, PGE requests that the portion of the procedural schedule requiring the filing of testimony addressing net variable power costs be suspended. PGE will file the MONET power cost updates included in the established schedule, and does not request that those dates be suspended. The Settling Parties support this motion.

Under the procedural schedule in this docket, PGE's reply testimony on net variable power cost issues is due June 26th. Accordingly PGE requests expedited consideration of this motion.

DATED this 23rd day of June, 2017.

Respectfully submitted,

Douglas C. Tingey, OSB No. 044366
