Purpose of Workshop

This workshop will discuss how Portland General Electric and Pacific Power spend the money they receive from CFP credits. Electric Companies in Oregon generate credits from residential customers who own electric vehicles. Credits are sold to companies that sell gasoline and diesel, creating a fund for programs that promote the adoption of electricity as a motor fuel.

Schedule for Public Review

Event	Date	Time
Draft CFP Plans Circulated	Friday September 10	Before 5:00 PM
First Workshop	Friday, September 24	2:00 PM – 4:00
Second Workshop	Friday , October 15	2:00 PM – 4:00
CFP Plans Filed	Tuesday, November 19	Before 5:00
Public Meeting	Tuesday, December 14	9:30 AM – 12:00 PM

Background

Launched in 2016, the CFP is run by the Oregon Department of Environmental Quality to reduce the carbon intensity of Oregon’s motor vehicle fuels. In Order No. 18-376, the Oregon Public Utility Commission required electric companies to participate in the CFP and present their CFP-financed programs for public review.
