Re: UM 1828 - Clatskanie People's Utility District v. J&N Cable Systems, Inc.

Dear Judge Power::

I am providing this letter as a follow-up to our phone conference yesterday in the above captioned matter. During the call I indicated that my client J&N Cable Systems, Inc. is out of business and that it has no ability to remove its attachments from the poles owned by Clatskanie PUD. I also indicated that while J&N Cable Systems, Inc. does not have any funds to perform the removal itself that it has no objection to the relief requested in the complaint by Clatskanie PUD. Specifically, J&N Cable does not object to Clatskanie PUD removing the attachments from its poles and disposing of the same.

If you need any further information or clarification please don't hesitate to contact me.

Very Truly Yours,

/s/ Roger W. Bailey
