In the Matter of

AVION WATER COMPANY, INC.,

Request for a General Rate Revision.

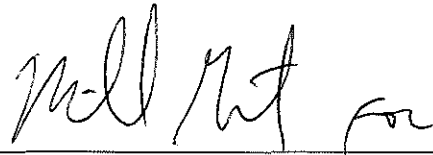

RULING

DISPOSITION: MOTION GRANTED

By motion filed September 6, 2017, the Commission Staff requests that the remainder of the procedural schedule be suspended. As grounds for its motion, Staff notes the parties participated in a settlement conference on August 30, 2017, and as a result have reached a settlement resolving all issues in this docket and are currently working to draft a stipulation and supporting testimony. The parties anticipate filing the stipulation and supporting testimony no later than October 16, 2017. Staff states that all parties support the motion.

For good cause shown, Staff's motion is granted. The remainder of the procedural scheduled is vacated, however, the date set for the filing of the stipulation and supporting testimony are due on October 16, 2017.

Dated this 6th day of September, 2017, at Salem, Oregon.
