

**BEFORE THE PUBLIC UTILITY COMMISSION  
OF OREGON**

UM 1837

In the Matter of

PUBLIC UTILITY COMMISSION OF  
OREGON,

Investigation into the Treatment of New  
Facility Direct Access Load.

RULING

DISPOSITION: MOTION GRANTED

On October 27, 2017, the Commission Staff filed a motion requesting a change in the procedural schedule in this docket. According to Staff, circumstances caused a workshop that had been scheduled for October 25, 2017, to be rescheduled for November 6, 2017. That change then necessitates a change in the dates for the opening and closing comments that are intended to reflect the results of the workshop.

Presently the date set for filing opening comments is November 9, 2017. Staff proposes that the dates be changed to November 22, 2017, for opening comments, and December 19, 2017, for reply comments.

Staff states that no party objects to its motion and requests expedited consideration.

For good cause shown, I grant Staff's motion. The date set for opening comments is November 22, 2017. The date set for reply comments is December 19, 2017.

Dated this 30th day of October, 2017, at Salem, Oregon.
