RE: Docket No. PL 63, Advice No. 17-001

On May 22, 2017, United Telephone Company of the Northwest filed revised sheets for inclusion in its tariff, Oregon Price List.

This filing standardizes CenturyLink's process and timeline for cancellation for acceptance of a customer-requested service date for price listed services that require treatment, equipment or engineering design during the provisioning process.

The sheets filed under Advice No. 17-001 are effective with service rendered on and after May 23, 2017.

One receipted copy of each sheet is returned for your files.
