In the prehearing conference memorandum issued July 10, 2017, I set the hearing in this matter for August 11, 2017, while noting that the parties intended to meet to try to resolve this matter without the need for a hearing. Having not been notified that this matter has settled, I advise the parties that any documents that either party wishes to offer into evidence at the hearing must be provided to the other party and to the Commission not later than August 10, 2017.
