

**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON**

UM 1845

In the Matter of

PACIFICORP, dba PACIFIC POWER,

Application for Approval of Final Draft
2017R Request for Proposals.

MEMORANDUM

The purpose of this memorandum is to provide notice that the Commission has developed an agenda to facilitate the August 29, 2017 Special Public Meeting on PacifiCorp's Application for Approval of Final Draft 2017R Request for Proposals (RFP). Chair Hardie may modify the agenda as necessary as the meeting progresses.

There will be no opening comments or presentations from the parties or members of the public. PacifiCorp, Staff, Renewable Northwest, the Northwest and Intermountain Power Producers Coalition, and the Industrial Customers of Northwest Utilities will be called up to the tables for questioning.

1. Commissioner Discussion and Examination

- *Independent Evaluator (IE) Report and Recommendations*

The Commissioners will first address the IE report and each recommendation. Commissioners will first ask PacifiCorp which recommendations it agrees with, and then ask all parties to address remaining contested IE conditions.

- *Staff and Party Recommendations*

The Commissioners will then identify which recommendations or conditions proposed by Staff or other parties that they would like to address. The Commissioners will then address the identified recommendations or conditions.

2. Commissioner Discussion and Deliberation

The Commissioners will discuss whether to approve PacifiCorp's Final Draft 2017R RFP, and if so whether to limit scope of approval or impose conditions to any approval.

Dated this 28th day of August 2017, at Salem, Oregon.

Michael Grant
Chief Administrative Law Judge
