RULING

DISPOSITION: MOTION TO AMEND SCHEDULE GRANTED

On January 5, 2018, Portland General Electric Company filed a motion to modify the procedural schedule in this docket. PGE requests that the Commissioner Workshop, scheduled for Friday, January 12, 2018, be changed to a stakeholder only workshop. PGE explains that an earlier scheduled stakeholder workshop was canceled, and believes it will be more efficient for the stakeholders to meet among themselves first to address questions about the application and related issues. PGE reports that there is no known opposition to the motion.

PGE's motion is granted. The workshop scheduled for January 12, 2018, is re-designated as a stakeholder only workshop. The Commission Staff or PGE will provide notice of the stakeholder only workshop, which will be held in Portland.

The remainder of the schedule remains unchanged.

Dated this 8th day of January, 2018, at Salem, Oregon.
