

**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON**

UM 1857

In the Matter of

PACIFICORP, dba PACIFIC POWER,

Draft Storage Potential Evaluation.

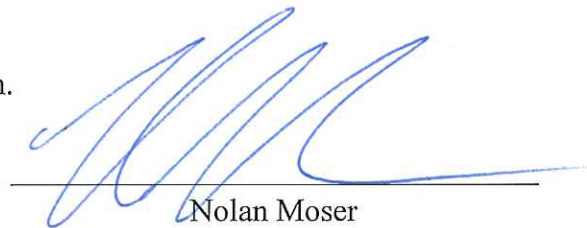

RULING

DISPOSITION: MOTION GRANTED

On June 19, 2018, Commission Staff filed a motion to suspend the procedural schedule. Staff states on May 29, 2018 three of seven of the parties (PacifiCorp, Staff, and CUB) attended a settlement conference and that those parties have reached a settlement in principal resolving all issues. Staff conferred with the other parties and does not believe that a response is necessary given that no parties have objected to the proposed motion. Staff also states that the stipulating parties expect to file a stipulation and supporting testimony by July 18, 2018.

I find that good cause exists to grant Staff's motion and the motion is granted. The procedural schedule is suspended. Staff is directed to file a stipulation and supporting testimony by July 18, 2018.

Dated this 19th day of June 2018 at Salem, Oregon.
