**PORTLAND GENERAL ELECTRIC COMPANY'S MOTION FOR EXTENTION OF TIME TO FILE RESPONSE TO COMPLAINANTS' MOTION TO COMPEL**

***EXPEDITED CONSIDERATION REQUESTED***

Portland General Electric Company ("PGE") hereby requests an extension of time until January 11, 2018 to file its response in opposition to Complainants' motion to compel discovery filed on December 21, 2017, in the above-captioned cases.

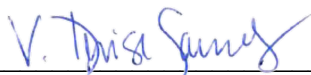

Under the Commission's rules, PGE has two weeks to respond to Complainants' motion. *See* OAR 860-001-0420(4). However, the time for responding coincides with the week spanning the Christmas and New Year holidays. PGE's attorneys and some of the staff who are needed to develop PGE's response will be on vacation during this time period.

Before Complainants filed their motion to compel, counsel for PGE asked counsel for Complainants to agree to a one-week extension of time to respond to the motion, in light of the holidays and the unavailability of PGE staff. However, Complainants have refused the requested extension of time.

Therefore, PGE respectfully requests an extension of its deadline to respond to the motion to compel from the current deadline of January 4, 2018, to a new deadline of January 11, 2018. Such an extension will accommodate preexisting vacation schedules and provide PGE with the typical two-week working period to develop its response in opposition to Complainants' motion to compel.

Dated this 22nd day of December 2017.

Respectfully submitted,

---
