Complainants,

vs.

PORTLAND GENERAL ELECTRIC
COMPANY,

Defendant.

**PORTLAND GENERAL
ELECTRIC COMPANY'S
NOTICE OF OBJECTION TO
AMENDMENT OF
COMPLAINTS**

On April 20, 2018, each Complainant in the above-captioned matters filed a motion for leave to amend its complaint. Complainants indicate they were unable to determine whether Portland General Electric Company (“PGE”) objects to the filing of amended complaints.¹ The purpose of this filing is to clarify that PGE objects.

¹ Counsel for Complainants emailed counsel for PGE on the morning of April 20, 2018, to inquire whether PGE would object to Complainants seeking leave to amend their complaints. Counsel for PGE responded that PGE could not take a final position until PGE reviewed the motion for leave to amend but that PGE would likely object. Counsel for Complainants emailed a copy of the motion for leave to amend and the proposed amended complaints to counsel for PGE at 3:10 pm on April 20, 2018, and Complainants filed their motions an hour-and-a-half later at 4:40 pm. PGE and its counsel did not have an opportunity to review the draft motion or proposed amended complaints and respond to counsel for Complainants before Complainants filed their motions.

PGE does not intend for this notice to serve as its response in opposition to the motions for leave to amend. PGE reserves its right to file a substantive response in opposition by May 7, 2017, as allowed by OAR 860-001-0420(4).

DATED this 23rd day of April, 2018.

Respectfully submitted,
