Re: UM 1891

Dear:

Attached for filing please find Qwest Corporation's Redacted Attachment B to its Petition for Commission Approval of 2017 Addition to Non-Impaired Wire Center List, originally filed with the Public Utility Commission on August 15, 2017. The version of Attachment B filed on August 15 inadvertently omitted page 2. This version replaces in its entirety the earlier filed version.

If you have any questions, please do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink that reads "Carla".
