OREGON
Investigation into the Methodology and
Process for Developing Avoided Costs Used
in Energy Efficiency Cost-Effectiveness Test

**NOTICE OF STAFF
WORKSHOP**

The Public Utility Commission of Oregon will hold a Staff workshop in this docket as follows:

DATE: July 3, 2019
TIME: 10:00 am to noon
LOCATION: Portland State Office Building
800 NE Oregon St
Portland, OR 97232
Room 1A

In this workshop, Staff has invited two utilities to present information on their transmission and distribution methodology. PGE will present on their current status in estimating seasonality for transmission and distribution. Cascade will also present their current status in estimating distribution capacity value for the peak day and the peak hour. There will be time for questions and comments following each presentation.

Staff will be sending an agenda and meeting materials to those people on the UM 1893 service list prior to this workshop. The goal of the materials is to help lead a well-informed discussion at the workshop. There is no need to RSVP. The meeting is open to the public. If you have any questions please contact Anna Kim at 503.378.6360 or anna.kim@state.or.us. If you cannot attend in person, you can participate using the conference call information below:
