Subject: Request For Telephonic Conference to discuss Further Process/Avista/Hydro One Merger

Good morning Judge Power and parties. Because of recent developments in Ontario, Avista/Hydro One would request a telephonic procedural conference for [next Tuesday](#) or Wednesday at the convenience of the Bench and parties to discuss a proposed process going forward. Avista/Hydro One will be reaching out to all parties this morning with a proposal in order to work this out before our telephonic conference next week with the Bench. If this request for a conference is acceptable to the Bench, I would ask all parties to identify any conflicts on Tuesday and [Wednesday of next week](#) this morning, so the Bench can schedule such a call. Avista will provide a conference bridge line for next week's call. Thank you. David Meyer
