

**BEFORE THE PUBLIC UTILITY COMMISSION  
OF OREGON**

UM 1897

In the Matter of

HYDRO ONE LIMITED

Application for Authorization to Exercise  
Substantial Influence over the Policies and  
Actions of AVISTA CORPORATION.

RULING

DISPOSITION: MOTION GRANTED CONDITIONALLY

By email received November 6, 2017, Northwest Industrial Gas Users requests an extension of time to file its proposed budget for intervenor funding in this docket.

According to NWIGU, November 6, 2017 is the deadline for filing a proposed budget. NWIGU explains the circumstances that make such a filing not possible at this time as the parties are in the process of negotiating an extension to the Intervenor Funding Agreement.

NWIGU requests an extension to no later than December 31, 2017. It reports that CUB supports its request. However, it has not been able to confer with Avista.

I treat NWIGU's request as a motion and grant it conditionally, subject to a timely objection from Avista.

Dated this 7th day of November, 2017, at Salem, Oregon.
