**Re: Hydro One Limited's Notification of Settlement  
Docket No. UM 1897**

Dear Judge Power:

This letter is to notify the Oregon Public Utility Commission ("Commission") pursuant to OAR 860-001-0350 that a settlement in principle has been reached by all parties to this proceeding.

The parties to the settlement fully recognize that this proposed settlement is subject to review and approval by the Commission.

The parties intend to file later this week a motion to suspend the current procedural schedule and to propose a schedule for additional activity in the docket.

Very truly yours,

Elizabeth Thomas,
