**Re: Second Supplemental Filing of Advice No. 17-21 Updating Rule E,  
Establishing Credit / Treatment of Deposits**

Portland General Electric Company (PGE) submits this filing pursuant to Oregon Revised Statutes (ORS) 757.205 and 757.210 and Oregon Administrative Rule (OAR) 860-022-0025 for filing proposed tariff sheets associated with Tariff P.U.C. No. 18. PGE initially filed Advice No. 17-21 on October 11, 2017 with a requested effective date of November 22, 2017. PGE then submitted on November 9, 2017 a Supplemental Filing requesting a new effective date of December 19, 2017. The extension intended to provide additional time for PGE to discuss changes with Staff. PGE now submits this Second Supplemental Filing which adds clarifying language to sections pertaining to Nonresidential Customers. Due to the requested effective date of December 19, 2017, and the less than 30 days-notice, PGE also is submitting an application requesting a waiver of legal statutory notice, pursuant to ORS 757.220, and OAR 860-022-0020.

Enclosed are the following replacement sheets:

- Second Revision of Sheet No. E-6
- Second Revision of Sheet No. E-7
- Second Revision of Sheet No. E-8
- First Revision of Sheet No. E-11

All other sheets remain as previously filed.

A redline version is enclosed as Attachment A.

To satisfy the requirements of OAR 860-022-0025, PGE responds as follows:

The revisions to Rule E and housekeeping changes do not increase, decrease, otherwise change existing rates, or impact revenues.

(T)

A. **Generally**

Before an application for Electricity Service is accepted, the Company will require the Nonresidential Applicant or Customer to establish credit as defined below in this rule. The establishment or re-establishment of credit under this rule does not relieve an Applicant or Customer from complying with all of the Company's rules and regulations on file with the Commission, making prompt payment of bills, and being subject to the discontinuance of Electricity Service for nonpayment.

(T)

B. **Privacy**

The Company treats credit, financial information or documentation received from Customer as confidential, and requires written or electronic permission from Customer before disclosing to any third parties. The Company will not release such information without such permission unless required by law or the Company in good faith believes such action is necessary to (1) comply with the law or legal process, (2) protect and defend the Company's rights or property or (3) protect the personal safety or property of the Company's other customers or the public.

E. **Nonresidential Deposit Requirement**

A deposit equal to a maximum of two average month's billings for Company charges is required when the Nonresidential Applicant or Customer:

(T)

(T)

- 1) Does not satisfy the credit criteria as defined in Section (2)(C) of this rule;
- 2) Was previously exempted from paying a deposit based upon false information given at the time of application;

(T)

In lieu of a deposit required under this Section E and at the Company's discretion, a Nonresidential Applicant or Customer may provide other security in a form which the Company finds reasonable and satisfactory in the establishment or re-establishment of credit. Terms and conditions of such security must be established and agreed to between the Company and the Applicant or Customer within the five days from the date the deposit is first required.

(T)

In the case of Nonresidential Applicants or Customers with seasonal usage, the maximum deposit amount will be based on the two highest months of usage.

(M)

I. **Treatment and Refund of Nonresidential Deposits**

(T)(M)

The Company will furnish a receipt upon payment of deposit and will hold the deposit until credit is satisfactorily established or re-established. For the purposes of this section of the rule, credit is considered to be established or re-established and the deposit, with accrued interest, refunded to the Customer, if, at the end of 12 months after the deposit is paid in full:

- 1) The account is current; and
- 2) The Nonresidential Customer has not been issued more than two 5-day disconnect notices during the previous 12 months; and (T)
- 3) The Nonresidential Customer was not disconnected for nonpayment, or was found to have engaged in theft, diversion of energy, or tampering with Company facilities, during the previous 12 months; and (T)
- 4) The Company has determined that the condition which necessitated the deposit no longer impedes the Nonresidential Customer's ability to demonstrate creditworthiness and that no new condition or material change would require a deposit. (T)

Prior to refunding the deposit, when a Nonresidential Customer has multiple accounts or one account that includes other products and services, the Company may review such accounts and contractual obligations to determine if unpaid past due balances are owed to the Company. The Company will not review any Residential electricity service accounts. The Company will first apply the refundable deposit and accrued interest to any such past due amounts. Any remaining balance, at the Customer's option, shall be refunded or credited to any account or contractual commitment for which products and/or services were provided. (T)  
(C)  
(C)  
(C)

In the event the Nonresidential Customer moves to a new address within the Company's Service Territory and the Company is holding a deposit in accordance with this rule, the deposit, plus accrued interest, will be transferred to the new account. (T)

A deposit equal to a maximum of two average month's billings for Company charges is required when the ~~non-residential~~Nonresidential Applicant or Customer:

**Advice No. 17-21**  
**Issued November 21, 2017**  
**James F. Lobdell, Senior Vice President**

**Effective for service**  
**on and after December 19, 2017**

**GF. Timing of Payment of a ~~Non-residential~~Nonresidential Deposit**

If the ~~non-residential~~Nonresidential Applicant has an account balance from a prior service account that was not paid according to its terms, the Applicant must pay the required deposit either in full, or enter into a payment agreement within five business days of the service request. Failure to pay the deposit or enter into a payment agreement within the five days may result in the disconnection of service without further notice.

Absent an account balance from a prior service, if the service is connected at the requested service address, the ~~non-residential~~Nonresidential Applicant must either pay the deposit in full or pay the deposit as it is billed for the new service regardless of whether or not the first month's billing is for a full Billing Period. Failure to pay the deposit may result in the disconnection of service following five days written notice.

If service is not connected at the service address; the ~~non-residential~~Nonresidential Applicant must pay the deposit in full, or have entered into a payment arrangement before service is connected.

Where a non-cash deposit payment is paid to the Company and that payment is subsequently returned by the financial institution for insufficient funds, the ~~non-residential~~Nonresidential Applicant or Customer is subject to service disconnection and will not obtain or retain Customer status. The Company will attempt to notify the ~~non-residential~~Nonresidential Applicant or Customer of the returned payment and will provide a 5-day notice, either verbally or in writing, prior to disconnection.

An existing ~~non-residential~~Nonresidential Customer whose Electricity Service is disconnected for nonpayment of a deposit will be required to pay the full amount of the deposit, plus any applicable Reconnection Charge, Late Payment Charge, and any past due amount(s) before service is restored. Written notice of disconnection for nonpayment of deposit will be provided to ~~non-residential~~Nonresidential Customers five days before service disconnection. The procedures in OAR 860-021-0505 will be used in issuing the notice of disconnection.

**H.G. Like Ownership**

If the Company, in its discretion, determines that principals of a corporation, partnership, or other commercial enterprise are substantially the same as another corporation, partnership, or commercial enterprise that either is receiving or has at one time received Electricity Service, they are deemed to be the same ~~non-residential~~Nonresidential Applicant or Customer for the purpose of this R~~r~~ule E.

**H.H. Treatment and Refund of ~~Non-residential~~Nonresidential Deposits**

The Company will furnish a receipt upon payment of deposit and will hold the deposit until credit is satisfactorily established or re-established. For the purposes of this section of the rule, credit is considered to be established or re-established and the deposit, with accrued interest, refunded to the Customer, if, at the end of 12 months after the deposit is paid in full:

- 4) The Company has determined that the condition which necessitated the deposit no longer impedes the ~~non-residential~~Nonresidential Customer's ability to demonstrate creditworthiness and that no new condition or material change would require a deposit.
